

Antigone & Friends at Cal State Hayward

"I borrowed the 'material' from Antigone's myth to mould my own plot....I borrowed her myth to create an Antigone of our times....And this new 'Antigone' carried with her another tragic element, that of the impossibility of being tragic."

—Maria Lampadaridou-Pothou

Greek poet, playwright, and novelist Maria Lampadaridou Pothou will be a guest of Cal State Hayward, courtesy of the Greek Ministry of Culture, February 8-15.
